# Our Services & Fees

## Background – The Purpose of this Document

It's great that you are considering taking advantage of our services. Before we complete any work for you there are some things that we want to tell you about our services and how we will charge for them. You can use this document to decide whether our services are right for you.

Please do take the time to read it - it only takes a few minutes and it contains important information about our services. Please tell us if you need any extra help or support in accessing our services.

## Are our services regulated?

Yes – most of what we do is regulated by the Financial Conduct Authority. However, services relating to most Buy to Let Mortgages are not regulated.

You can see full details of how we are regulated and what permissions we hold in Section 1

Our services relating to residential mortgages, protection and general insurance are also covered by the Financial Services Compensation Scheme. The scheme does not cover services in respect of Buy to Let mortgages. You can also find more details about the compensation scheme in Section 1.

## What kind of service do we offer?

We offer advice on mortgages, life and household insurance. For mortgages we make recommendations from a broad and comprehensive range of lenders from across the market.

For most insurance advice we make recommendations from a range of insurers which is representative of the whole market. For some, more specialist, insurance products we offer advice from a narrower range or from single providers.

You can see details of our range of products and providers and further details about our services (including information on special advice situations like taking further advances/additional borrowing and advice on mortgages in later life) in Section 2

There are limitations to our advice. For example, if you are using a government scheme or any shared appreciation, or shared equity scheme (or similar arrangements) to help you buy your property then we won't advise you on the suitability of that scheme. We don't give tax advice. Section 2 also gives more information about this.

## What do we charge for our services?

For insurance products we will receive commission from the product provider. We will not charge separate fees for these services. For mortgages we may charge you a fee for our advice. You can see more details about our charges in Section 3.

## What if you have a complaint?

We hope that you will love the services that we provide. But if something does go wrong, then we will work hard to put things right. You also have access to our complaints procedures. If you are still not happy then you may be able to refer your case to the Financial Ombudsman Service (FOS). You can see more information about our complaints procedures and the types of cases that FOS can consider in Section 4.

## How will we handle your personal data?

We will keep your personal information private and confidential, even if you are no longer a client.

You can see full information of how we will handle your data in our separate Privacy Statements. We can provide you with a copy of these or they can be accessed via our websites. We may also make electronic checks to verify your identity or for fraud prevention.

You can see more information about data privacy and electronic checks in Section 5

Section 6 contains information about how we manage conflicts of interest and our procedures relating to client money.

## 2. Our Services

---

## What type of service do we offer?

We provide an **advised** service. This means that we will assess your needs and make a personal recommendation for each of the mortgage and / or insurance areas in which you have asked us to provide a service.

We act for you and not the insurer or the mortgage lender in connection with the services we provide.

Our advice is based on your circumstances at the time the advice is given.

My recommendations are based on my understanding of current legislation, which is subject to change.

---

## Whose products do we offer?

### Insurance

We offer products from a range of insurers for the following insurance products: *term assurance, family income benefit, non-investment whole of life assurance, critical illness insurance, income protection insurance, and insurance related products for properties and their contents*. The range of insurers is based on a fair analysis of the relevant market.

We only offer products from One Family for over 50s life insurance.

### Mortgages and Buy to Let Mortgages

We offer a comprehensive range of first charge mortgages from across the market, but not deals that you can only obtain by going direct to a lender.

We do not offer advice in relation to second charge mortgages however we can make a referral to a suitable firm to discuss your needs.

A list of our mortgage providers can be found on the PRIMIS website [www.primis.co.uk/consumer-zone](http://www.primis.co.uk/consumer-zone)  
You can also ask us for a copy of the mortgage providers that we work with.

---

## Are there any limitations to the advice we are providing?

Our advice is limited to providing advice on appropriate mortgage, protection and/or insurance solutions from our range of providers and lenders.

We do not provide tax advice. If you are in any doubt, you should seek appropriate advice on any tax implication of the transactions that you enter.

Where you are making use of government schemes (for example right-to-buy or transactions which involve the Help-to-Buy scheme) or other shared appreciation or shared equity schemes, our advice is limited to the regulated mortgage contract. Our advice does not include advice on the suitability of other schemes.

We might sometimes suggest you consider placing a policy into trust. Where we do so, we are providing general guidance of the benefits of trusts and/or information on routes for placing your policies into them. We are not providing a specific recommendation about whether any individual trust is right for you. You should take specialist trust advice if you are in any doubt.

---

## Increasing borrowing on an existing property

If you are seeking advice for increasing the borrowing secured on a property which is subject to an existing mortgage, we will consider whether you should:

- take a further advance/additional borrowing from your current lender
- take out a new mortgage with a different lender

We will not consider second charge loans or unsecured lending. In some circumstances, these options might be available and appropriate for you.

---

### **Borrowing into retirement**

---

We can offer advice on a number of products where you are considering borrowing on an interest-only basis into your retirement.

Where you are borrowing on this basis, a Lifetime Mortgage might be more suitable option for you than traditional mortgages. A Lifetime Mortgage might be a more suitable option for you. A Lifetime Mortgage is a type of loan which does not need to be repaid until you die, sell the property or go into long-term care and where the interest is usually rolled up into the loan instead of being repaid each month.

We do not offer advice on Equity Release Mortgages; however we can introduce you to an appropriately qualified adviser if you wish to consider this option.

---
